## Commissioners' Report.

---

TO THE CITIZENS OF SULLIVAN COUNTY:-

We, herewith, in compliance with the laws of the State, submit the annual report of the County Commissioners, Treasurer, Superintendent of the Farm, Farm Physician, Chaplain, Solicitor, Clerk of the Superior Court, Sheriff, Jailer and Auditors for 1903. The appropriation for County expenses for 1903, was \$30,000.00.

### COUNTY FARM AND ALMS HOUSE.

The illness of Mrs. Perry has obliged Mr. Perry to hand in his resignation as Superintendent, much to the regret of the Commissioners and all connected with the Institution.

Under their supervision the inmates have been well cared for at all times, and the Farm under his management, has been productive.

The County Convention at the regular Session in 1903, authorized the Commissioners to purchase the Stowell farm, so-called, and appropriated Twelve Hundred Dollars for said purpose.

The Commissioners have purchased the above named farm, thereby securing a supply of wood and lumber for use at the County Farm for some years, also some good land for pasturing.

The Convention also authorized the Commissioners to erect a building for a storehouse at the Farm.

It was thought best not to build last year, as it seemed a matter of economy, to get the lumber from the farm, and to utilize the help there, as much as possible. The building will probably be erected the present year.

The County Jail was in such condition that the Commissioners thought best to call the County Convention together, to consider the question of repairing the old jail, or building a new one.

The Convention met on Oct. 16th, 1903, and after looking over the old jail and surroundings, voted to purchase a new site, and

erect new jail buildings at a cost not to exceed twenty thousand dollars, and appointed the County Commissioners, Ira F. Chandler and Charles H. Matthews, a building committee, with instruction to purchase a site and erect new jail buildings.

The Committee has purchased the property known as the Osgood place, in Newport village, containing two and one-half acres of land, on which is now standing a good house and barn.

Plans are now being prepared by the Pauly Jail Building Company for a new jail building.

Repairs have been made to the plumbing in the Court House at an expense of \$210.45.

## Superintendent's Report.

---

TO THE HON. BOARD OF COMMISSIONERS FOR SULLIVAN COUNTY:—

Gentlemen: In making this, my third annual report, I have but little to add to the one I made one year ago, but owing to the failing health of Mrs. Perry I find myself obliged to make a change. I am thus forced to resign with regret my Superintendency at the Farm. Allow me to thank you for the courtesy and respect you have shown me during my stay; and I also wish to thank Dr. A. L. Marden, our County Physician, for his kindness as well as his promptness at all times; also our Chaplain, Rev. Guy Roberts, for his words of cheer in the chapel and sick room; I also wish to thank my assistants at the Farm for their co-operation. I herewith present the following report of my receipts and expenditures as Superintendent of Sullivan County Farm from Jan. 1 to Dec. 31, 1903.

## Physician's Report.

---

TO THE COMMISSIONERS OF SULLIVAN COUNTY:-

This is my twelfth annual report. I have made fifty-five visits during the year. Eleven persons have died at the county farm from the following causes: Bright's disease, 2; apoplexy, 1; cancer, 1; pareses, 1; heart disease, 3; old age, 3.

The sick, feeble, and aged inmates have had kind and careful attention from Superintendent Perry and wife, and their assistants. It is certainly a great misfortune that the illness of Mrs. Perry makes it impossible for them to continue in their present situation after this year.

The sanitary conditions in and about the buildings are good, but there are improvements that should be made.

Respectfully submitted,

A. L. MARDEN, M. D.

Claremont, N. H., Jan. 25th, 1904.

## Chaplain's Report.

---

TO THE COMMISSIONERS OF SULLIVAN COUNTY:-

Gentlemen: During the past year I have endeavored to give faithful attention to the duties and privileges that this office brings to me. All the regular services have been held. The attendance has been all that one could expect. Order has been excellent, and interest in the meetings good. In June the W. C. T. U. ladies of Newport made their usual visit on Flower Mission Day. In

December the W. C. T. U. ladies from Claremont made their annual visit. Both of these occasions brought comfort and cheer to the inmates, and are enjoyed by all.

I but speak the feeling of all connected with the institution when I say that we exceedingly regret the illness that has come to our Matron, Mrs. W. E. Perry, which necessitates not only her departure from the home, but also that of the Superintendent.

In Mr. and Mrs. Perry the county, and the inmates, have found servants of unusual ability whose place it will be difficult to fill.

During the year I have attended five funerals at the Farm.

Respectfully submitted,

GUY ROBERTS.

## Solicitor's Report.

---

Since my last report crime has been committed in the towns of Plainfield, Cornish, Claremont, Charlestown, Newport and Grantham, viz.: Breaking and entering, larceny, simple assault, assault with intent to kill, obtaining chattel by false pretense, breach of peace, selling spirit, selling without license under act of 1903, and adultery.

There were no parties bound over to May term, and no appearances to grand jury. Hence, no indictments were found at that term. A most unusual occurrence.

At November term there were three indictments; viz.: for assault with intent to kill, plea guilty, prison sentence; for obtaining chattel by false pretenses (two jointly indicted) one defaulted; the other plead not guilty, tried by jury, found guilty, jury suggested clemency, sentenced to pay fine of \$500; for selling spirit, plea guilty, continued for sentence on paying costs of prosecution, in conformity with chapter 122, laws 1903.

The remaining offenses above named were disposed of as follows: Breaking and entering, no evidence came to the grand jury; larceny, grand jury found no bill; simple assault, ninety days;

breach of peace, gave bonds; selling without license under act of 1903, and adultery, both bound over to May term.

The State docket was entirely cleared at last November term, every case being tried or otherwise properly disposed of, and the only case that will appear on the continued May docket is the case above referred to, where two were indicted jointly, and one of the two defaulted his bail; that party is now in jail and will be tried next term.

The grand jury sat but one day at each of the May and November terms.

I have received no fines, costs or other moneys of the County, as the statute provides.

F. H. BROWN, Solicitor.

Claremont, N. H., Dec. 31st, 1903.
